EXPERIENCE & ACCOMPLISHMENTS

Public Speaker / Author / Radio Talk-Show Host / Community, State and Federal Leader; 1973 to Present

Based out of regional St. Louis, Missouri

Serves in a key role of implementing Crisis Curriculum, Urgency Management and Definitive programs and preparation. Educates on resources necessary in any post catastrophe phase. *"It is better to be a year or two early, than a day or two late."* – John Moore

In 2015, speaking engagements on **Terrorism, Climate Change, Government Investigations, Corporate and Personal Preparedness** in Lebanon & Springfield, MO, Sanibel, FL, Huntsville, AL, Asheville, NC, Denver, CO, Topeka, KS and Seattle, WA. National obligations including Chicago, IL, Detroit, MI, Birmingham, AL, and Harrisburg, PA. Audience of 5,000 students and staff at Eastern Carolina University.

Two National Speaking Tours, 2005 through present, "**Terrorism**" and "**Climate Change; What the Government is not telling you**". Source presentation material based from classified Top Secret Intel, accumulated from dozens of Special Forces Operatives and Navy Veterans, who stand witness to this information. This data, referred to as "The Map" has been used in Naval and branch military debriefings since the late 1970's, and shows the projected future of America, and our Earth. Knowledge of this maps existence sheds new light on the Governmental "Climate Change" and "Global Warming" international movement, and explains current military preparedness and budgetary expenditures, possibly accounting for trillions of "misplaced" American tax dollars, estimated to be 25% of the U.S. gross national disbursement yearly.

Wanting to reach more people with career investigative intelligence, particular personal knowledge, and garner instruction on taking personal responsibility for one's own safety and security, integrated into a radio talk-show host on WGNU 920AM in St. Louis, MO in 1995. Currently with the Republic Broadcasting Network, Monday – Friday, 6 am – 8 am CST, since 2005. Today, celebrating a world-wide radio audience.

U.S. Congressional Candidate in 1996, 3rd District, lead then by Representative Dick Gephardt, House Majority Leader and Minority Leader.

Homicide Detective / Private Investigator / 2nd Chair Trial Assistant / Para-Legal; 1973 to Present

Public Defender System; Jefferson County / Union, Missouri / Clayton, Missouri

Immediately following commencement training, began advising Senator Tom Eagleton's Campaign Manager, along with both the former Prosecuting Attorney and Public Defender for Jefferson County. Met the investigative needs of the Jefferson County Bar, civil and criminal defense teams.

Conducted hundreds of criminal investigations, including many homicides. Additional cases ranged from undercover duties to bodyguard assignments. Employed in hundreds of surveillance, civil trial investigations and trial preparations for civil and criminal matters, of the most serious nature, including Jefferson County, MO vs. Isle of Capri Casino, where 100 million dollars was a stake. Concerning this matter, was retained independently by Ropes and Grey LLP Legal Professionals out of Boston, MA.

Bodyguard for Executives, VIP's and Celebrities, including Charleton Heston, Pat Buchanan and Ambassador Alan Keys. Delivered seminars to attorneys for credit in Continuing Legal Education (CLE's); the only investigator to ever do so, to the best of knowledge. Was in negotiations to be the office controller with Judicial Watch at the time of 9/11/2001 U.S. terrorist attacks.

Devoted husband, father, and grandfather on his Missouri Ranch. Senior Olympics participant, running the 100 meter dash in 15.7 seconds.

John “J.R.” Moore
