Sec. 27. [Appeals from probate courts and other inferior courts.]

Appeals shall be allowed in all cases from the final judgments and decisions of the probate courts and other inferior courts to the district courts, and in all such appeals, trial shall be had de novo unless otherwise provided by law. (As amended November 8, 1966.)

Sec. 28. [Court of appeals; number, qualifications, compensation; quorum; majority concurring in judgment; power of chief justice to select acting justices.]

The court of appeals shall consist of not less than seven judges who shall be chosen as provided in this constitution, whose qualifications shall be the same as those of justices of the supreme court and whose compensation shall be as provided by law.

Article VI – Judicial Department

The increased qualifications provided by this 1988 amendment shall not apply to court of appeals judges serving at the time this amendment passes or elected at the general election in 1988.

Three judges of the court of appeals shall constitute a quorum for the transaction of business, and a majority of those participating must concur in any judgment of the court.

When necessary, the chief justice of the supreme court may designate any justice of the supreme court, or any district judge of the state, to act as a judge of the court of appeals, and the chief justice may designate any judge of the court of appeals to hold court in any district, or to act as a justice of the supreme court. (As added September 28, 1965; as amended November 8, 1988.)

Sec. 29. [Court of appeals; jurisdiction; issuance of writs.]

The court of appeals shall have no original jurisdiction. It may be authorized by law to review directly decisions of administrative agencies of the state, and it may be authorized by rules of the supreme court to issue all writs necessary or appropriate

in aid of its appellate jurisdiction. In all other cases, it shall exercise appellate jurisdiction as may be provided by law. (As added September 28, 1965.)

Sec. 30. [Fees collected by judiciary paid to state treasury.]

All fees collected by the judicial department shall be paid into the state treasury as may be provided by law and no justice, judge or magistrate of any court shall retain any fees as compensation or otherwise. (As added November 8, 1966.)

Sec. 31. [Justices of the peace abolished.]

Justices of the peace shall be abolished not later than five years from the effective date of this amendment and may, within this period, be abolished by law, and magistrate courts vested with appropriate jurisdiction. Until so abolished, justices of the peace shall be continued under existing laws. (As added November 8, 1966.)

Sec. 32. [Judicial standards commission.]

There is created the "judicial standards commission", consisting of two justices or judges, one magistrate and two lawyers selected as may be provided by law to serve for terms of four years, and six citizens, none of whom is a justice, judge or magistrate of any court or licensed to practice law in this state, who shall be appointed by the governor for five-year staggered terms as may be provided by law. If a position on the commission becomes vacant for any reason, the successor shall be selected by the original appointing authority in the same manner as the original appointment was made and shall serve for the remainder of the term vacated. No act of the commission is valid unless concurred in by a majority of its members. The commission shall select one of the members appointed by the governor to serve as chairman.

In accordance with this section, any justice, judge or magistrate of any court may be disciplined or removed for willful misconduct in office, persistent failure or inability to perform a judge's duties, or habitual intemperance, or he may be retired for dis-

ability seriously interfering with the performance of his duties that is, or is likely to become, of a permanent character. The commission may, after investigation it deems necessary, order a hearing to be held before it concerning the discipline, removal or retirement of a justice, judge or magistrate, or the commission may appoint three masters who are justices or judges of courts of record to hear and take evidence in the matter and to report their findings to the commission. After hearing or after considering the record and the findings and report of the masters, if the commission finds good cause, it shall recommend to the supreme court the discipline, removal or retirement of the justice, judge or magistrate.

The supreme court shall review the record of the proceedings on the law and facts and may permit the introduction of additional evidence, and it shall order the discipline, removal or retirement as it finds just and proper or wholly reject the recommendation. Upon an order for his retirement, any justice, judge or magistrate participating in a statutory retirement program shall be retired with the same rights as if he had retired pursuant to the retirement program. Upon an order for removal, the justice, judge or mag-

istrate shall thereby be removed from office, and his salary shall cease from the date of the order.

All papers filed with the commission or its masters, and proceedings before the commission or its masters, are confidential. The filing of papers and giving of testimony before the commission or its masters is privileged in any action for defamation, except that the record filed by the commission in the supreme court continues privileged but, upon its filing, loses its confidential character, and a writing which was privileged prior to its filing with the commission or its masters does not lose its privilege by the filing. The commission shall promulgate regulations establishing procedures for hearings under this section. No justice or judge who is a member of the commission or supreme court shall participate in any proceeding involving his own discipline, removal or retirement.

This section is alternative to, and cumulative with, the removal of justices, judges and magistrates by impeachment and the original superintending control of the supreme court. (As added November 7, 1967; as amended November 7, 1978 and November 3, 1998.)

Sec. 33. [Retention or rejection at general election.]

A. Each justice of the supreme court, judge of the court of appeals, district judge or metropolitan court judge shall have been elected to that position in a partisan election prior to being eligible for a nonpartisan retention election. Thereafter, each such justice or judge shall be subject to retention or rejection on a nonpartisan ballot. Retention of the judicial office shall require at least fifty-seven percent of the vote cast on the question of retention or rejection.

B. Each justice of the supreme court or judge of the court of appeals shall be subject to retention or rejection in like manner at the general election every eighth year.

C. Each district judge shall be subject to retention or rejection in like manner at the general election every sixth year.

D. Each metropolitan court judge shall be subject to retention or rejection in like manner at the general election every fourth year.

election at which this amendment is adopted shall be deemed to have fulfilled the requirements of Subsection A of this section and the justice or judge shall be eligible for retention or rejection by the electorate at the general election next preceding the end of the term of which the justice or judge was last elected prior to the adoption of this amendment. (As added November 8, 1988, and as amended November 8, 1994.)

Sec. 34. [Vacancies in office; date for filing declaration of candidacy.]

The office of any justice or judge subject to the provisions of Section 33 of Article 6 of this constitution becomes vacant on January 1 immediately following the general election at which the justice or judge is rejected by more than forty-three percent of those voting on the question of his retention or rejection or on January 1 immediately following the date he fails to file a declaration of candidacy for the retention of his office in the general election at which the justice or judge would be subject to retention or rejection by the electorate. Otherwise, the office becomes vacant upon the date of the death, resignation or removal by impeach-

Sec. 35. [Appellate judges nominating commission.]

Article VI – Judicial Department

appointed by the president of the state bar and the judges on this committee. The appointments shall be made in such manner that each of the two largest major political parties, as defined by the Election Code, shall be equally represented on the commission. If necessary, the president of the state bar and the judges on this committee shall make the minimum number of additional appointments of members of the state bar as is necessary to make each of the two largest major political parties be equally represented on the commission. These additional members of the state bar shall be appointed such that the diverse interests of the state bar are represented. The dean of the university of New Mexico school of law shall be the final arbiter of whether such diverse interests are represented. Members of the commission shall be appointed for terms as may be provided by law. If a position on the commission becomes vacant for any reason, the successor shall be selected by the original appointing authority in the same manner as the original appointment was made and shall serve for the remainder of the term vacated.

The commission shall actively solicit, accept and evaluate applications from quali-

fied lawyers for the position of justice of the supreme court or judge of the court of appeals and may require an applicant to submit any information it deems relevant to the consideration of his application.

Upon the occurrence of an actual vacancy in the office of justice of the supreme court or judge of the court of appeals, the commission shall meet within thirty days and within that period submit to the governor the names of persons qualified for the judicial office and recommended for appointment to that office by a majority of the commission.

Immediately after receiving the commission nominations, the governor may make one request of the commission for submission of additional names, and the commission shall promptly submit such additional names if a majority of the commission finds that additional persons would be qualified and recommends those persons for appointment to the judicial office. The governor shall fill a vacancy or appoint a successor to fill an impending vacancy in the office of justice of the supreme court or judge of the court of appeals within thirty days after receiving final nominations from the commission by appointing one of the persons nominated by the commission for appoint-

If the governor fails to make the appointment within that period or from those nominations, the appointment shall be made from those nominations by the chief justice or the acting chief justice of the supreme court. Any person appointed shall serve until the next general election. That person's successor shall be chosen at such election and shall hold the office until the expiration of the original term. (As added November 8, 1988.)

Sec. 36. [District court judges nominating committee.]

There is created the "district court judges nominating committee" for each judicial district. Each and every provision of Section 35 of Article 6 of this constitution shall apply to the "district judges nominating committee" except that: the chief judge of the district court of that judicial district or the chief judge's designee from that district court shall sit on the committee; there shall be only one appointment from the court of appeals; and the citizen members and state bar members shall be persons who reside in that judicial district. (As added November 8, 1988.)

(As added November 6, 1973.)

Sec. 9. [Elected governing authority prerequisite to levy of tax.]

A. No debt other than those specified in the preceding section shall be contracted by or on behalf of this state, unless authorized by law for some specified work or object; which law shall provide for an annual tax levy sufficient to pay the interest and to provide a sinking fund to pay the principal of such debt within fifty years from the time of the contracting thereof. No such law shall take effect until it shall have been submitted to the qualified electors of the state and have received a majority of all the votes cast thereon at a general election; such law shall be published in full in at least one newspaper in each county of the state, if one be published therein, once each week, for four successive weeks next preceding such election. No debt shall be so created if the total indebtedness of the state, exclusive of the debts of the territory, and the several counties thereof, assumed by the state, would thereby be made to exceed one percent of the assessed valuation of all the property subject to taxation in the state as shown by the preceding general assessment.

B. For the purposes of this section and Article 4, Section 29 of the constitution of

Article IX – State, County and Municipal Indebtedness

New Mexico, a financing agreement entered into by the state for the leasing of a building or other real property with an option to purchase for a price that is reduced according to the payments made by the state pursuant to the financing agreement is not a debt if:

(1) there is no legal obligation for the state to continue the lease from year to year or to purchase the real property; and

(2) the agreement provides that the lease shall be terminated if sufficient appropriations are not available to meet the current lease payments. (As amended November 3, 1964 and November 7, 2006.)

Sec. 9. [Use of borrowed funds.]

Any money borrowed by the state, or any county, district or municipality thereof, shall be applied to the purpose for which it was obtained, or to repay such loan, and to no other purpose whatever.

Sec. 10. [County indebtedness; restrictions.]

No county shall borrow money except for the following purposes:

A. erecting, remodeling and making additions to necessary public buildings;

Article IX – State, County and Municipal Indebtedness

B. constructing or repairing public roads and bridges and purchasing capital equipment for such projects;

C. constructing or acquiring a system for supplying water, including the acquisition of water and water rights, necessary real estate or rights-of-way and easements;

E. constructing an airport or sanitary landfill, including the necessary real estate;

F. acquiring necessary real estate for open space, open space trails and related areas and facilities; or

G. the purchase of books and other library resources for libraries in the county.

In such cases, indebtedness shall be incurred only after the proposition to create such debt has been submitted to the registered voters of the county and approved by a majority of those voting thereon. No bonds issued for such purpose shall run for more than fifty years. Provided, however, that no money derived from general obligation bonds issued and sold hereunder shall be used for maintaining existing buildings and, if so, such bonds shall be invalid. (As amended November 3, 1964, November 2,

Article IX – State, County and Municipal Indebtedness
1982, November 8, 1988 and November 5,
1996.)

Sec. 11. [School district indebtedness restrictions.]

A. Except as provided in Subsection C of this section, no school district shall borrow money except for the purpose of erecting, remodeling, making additions to and furnishing school buildings or purchasing or improving school grounds or any combination of these purposes, and in such cases only when the proposition to create the debt has been submitted to a vote of such qualified electors of the district as are owners of real estate within the school district and a majority of those voting on the question has voted in favor of creating such debt.

B. No school district shall ever become indebted in an amount exceeding six percent on the assessed valuation of the taxable property within the school district as shown by the preceding general assessment.

C. A school district may create a debt by entering into a lease-purchase arrangement to acquire education technology equipment without submitting the proposition to a vote of the qualified electors of

Article IX – State, County and Municipal Indebtedness

the district, but any debt created is subject to the limitation of Subsection B of this section.

D. For the purposes of this section, a financing agreement entered into by a school district or a charter school for the leasing of a building or other real property with an option to purchase for a price that is reduced according to the payments made by the school district or charter school pursuant to the financing agreement is not a debt if:

(1) there is no legal obligation for the school district or charter school to continue the lease from year to year or to purchase the real property; and

(2) the agreement provides that the lease shall be terminated if sufficient money is not available to meet the current lease payments. (As amended September 19, 1933, September 28, 1965, November 5, 1996 and November 7, 2006.)

Sec. 12. [Municipal indebtedness; restrictions.]

Article IX – State, County and Municipal Indebtedness

discharged, and which shall specify the purposes to which the funds to be raised shall be applied, and which shall provide for the levy of a tax, not exceeding twelve mills on the dollar upon all taxable property within such city, town or village, sufficient to pay the interest on, and to extinguish the principal of, such debt within fifty years. The proceeds of such tax shall be applied only to the payment of such interest and principal. No such debt shall be created unless the question of incurring the same shall, at a regular election for councilmen, aldermen or other officers of such city, town or village, or at any special election called for such purpose, have been submitted to a vote of such qualified electors thereof as have paid a property tax therein during the preceding year, and a majority of those voting on the question by ballot deposited in a separate ballot box when voting in a regular election, shall have voted in favor of creating such debt. A proposal which does not receive the required number of votes for adoption at any special election called for that purpose, shall not be resubmitted in any special election within a period of one year. For the purpose, only, of voting on the creation of the debt, any person owning property within

Article IX – State, County and Municipal Indebtedness

the corporate limits of the city, town or village who has paid a property tax therein during the preceding year and who is otherwise qualified to vote in the county where such city, town or village is situated shall be a qualified elector. (As amended November 3, 1964.)

Sec. 13. [County and municipal debt limit; exceptions.]

No county, city, town or village shall ever become indebted to an amount in the aggregate, including existing indebtedness, exceeding four per centum on the value of the taxable property within such county, city, town or village, as shown by the last preceding assessment for state or county taxes; and all bonds or obligations issued in excess of such amount shall be void; provided, that any city, town or village may contract debts in excess of such limitation for the construction or purchase of a system for supplying water, or of a sewer system, for such city, town or village.

Sec. 14. [Aid to private enterprise; veterans' scholarship program; student loans; job opportunities; affordable housing.]

Neither the state nor any county, school district or municipality, except as otherwise provided in this constitution, shall directly or indirectly lend or pledge its credit or make any donation to or in aid of any person, association or public or private corporation or in aid of any private enterprise for the construction of any railroad except as provided in Subsections A through F of this section.

C. The state may establish by law a program of loans to students of the healing arts, as defined by law, for residents of the state who, in return for the payment of educational expenses, contract with the state to practice their profession for a period of years after graduation within areas of the state designated by law.

D. Nothing in this section prohibits the state or a county or municipality from creating new job opportunities by providing land, buildings or infrastructure for facilities to support new or expanding businesses if this assistance is granted pursuant to general implementing legislation that is approved by a majority vote of those elected to each house of the legislature. The implementing legislation shall include adequate safeguards

Article IX – State, County and Municipal Indebtedness

to protect public money or other resources used for the purposes authorized in this subsection. The implementing legislation shall further provide that:

(1) each specific county or municipal project providing assistance pursuant to this subsection need not be approved by the legislature but shall be approved by the county or municipality pursuant to procedures provided in the implementing legislation; and

(2) each specific state project providing assistance pursuant to this subsection shall be approved by law.

E. Nothing in this section prohibits the state, or the instrumentality of the state designated by the legislature as the state's housing authority, or a county or a municipality from:

(3) providing or paying the costs of financing or infrastructure necessary to support affordable housing projects.

Article IX – State, County and Municipal Indebtedness

F. The provisions of Subsection E of this section are not self-executing. Before the described assistance may be provided, enabling legislation shall be enacted by a majority vote of the members elected to each house of the legislature. This enabling legislation shall:

given by the instrumentality. (As amended November 1, 1971, November 5, 1974, November 8, 1994, November 5, 2002 and November 7, 2006.)

Sec. 15. [State and local refunding bonds.]

Nothing in this article shall be construed to prohibit the issue of bonds for the purpose of paying or refunding any valid state, county, district or municipal bonds and it shall not be necessary to submit the question of the issue of such bonds to a vote as herein provided.

Sec. 16. [State highway bonds.]

Laws enacted by the fifth legislature authorizing the issue and sale of state highway bonds for the purpose of providing funds for the construction and improvement of state highways and to enable the state to meet and secure allotments of federal funds to aid in construction and improvement of roads, and laws so enacted authorizing the issue and sale of state highway debentures to anticipate the collection of revenues from motor vehicle licenses and other revenues provided by law for the state road fund, shall

Provided, that the total amount of such state highway bonds payable from proceeds of taxes levied on property outstanding at any one time shall not exceed two million dollars [(\$2,000,000)]. The legislature shall not enact any law which will decrease the amount of the annual revenues pledged for the payment of state highway debentures or which will divert any of such revenues to any other purpose so long as any of the said debentures issued to anticipate the collection thereof remain unpaid. Article X – County and Municipal Corporations

Article X – County and Municipal Corporations

D. In case an existing county is divided in the formation of city and county government, such city and county shall be liable for a just proportion of the existing debts or liabilities of the former county and shall account for and pay the county remaining a just proportion of the value of any real estate or other property owned by the former county and taken over by the city and county government, the method of determining such proportion shall be prescribed by general law, but such division shall not affect the rights of creditors.

E. Nothing herein contained shall be construed to alter or amend the existing constitutional provisions regarding apportionment of representation in the legislature or in the boundaries of legislative districts or judicial districts, nor the jurisdiction or organization of the district or probate courts. (As added September 20, 1949.)

Article X – County and Municipal Corporations

a municipality may, by resolution, authorize the districting of the municipality. The resolution shall not become effective in the municipality until approved by a majority vote in the municipality; and

(3) if districts have not been established as authorized by law or by resolution, the voters of a municipality, by a petition which is signed by not less than five percent of the registered qualified electors of the municipality and which specified the number of members of the governing body to be elected from districts, may require the governing body to submit to the registered qualified electors of the municipality, at the next regular municipal election held not less than sixty days after the petition is filed, a resolution requiring the districting of the municipality by its governing body. The resolution shall not become effective in the municipality until approved by a majority vote in the municipality. The signatures for a petition shall be collected within a six-months period.

B. Any member of the governing body of a municipality representing a district shall be a resident of, and elected by, the registered qualified electors of that district.

Article X – County and Municipal Corporations

C. The registered qualified electors of a municipality may adopt, amend or repeal a charter in the manner provided by law. In the absence of law, the governing body of a municipality may appoint a charter commission upon its own initiative or shall appoint a charter commission upon the filing of a petition containing the signatures of at least five percent of the registered qualified electors of the municipality. The charter commission shall consist of not less than seven members who shall draft a proposed charter. The proposed charter shall be submitted to the registered qualified electors of the municipality within one year after the appointment of the charter commission. If the charter is approved by a majority vote in the municipality, it shall become effective at the time and in the manner provided in the charter.

D. A municipality which adopts a charter may exercise all legislative powers and perform all functions not expressly denied by general law or charter. This grant of powers shall not include the power to enact private or civil laws governing civil relationships except as incident to the exercise of an independent municipal power, nor shall it include the power to provide for a penalty

Article X – County and Municipal Corporations

greater than the penalty provided for a petty misdemeanor. No tax imposed by the governing body of a charter municipality, except a tax authorized by general law, shall become effective until approved by a majority vote in the charter municipality.

E. The purpose of this section is to provide for maximum local self-government. A liberal construction shall be given to the powers of municipalities. (As added November 3, 1970.)

Sec. 7. [Five-member boards of county commissioners.]

The board of county commissioners by unanimous vote may adopt an ordinance to increase the size of the boards of county commissioners to five members. Upon creation of a five-member board, the county shall be divided by the incumbent board of county commissioners into five county commission districts that shall be compact, contiguous and as nearly equal in population as practicable. One county commissioner shall reside within and be elected from each county commission district. Change of residence to a place outside the district from which a county commissioner was elected

Article X – County and Municipal Corporations

shall automatically terminate the service of that commissioner and the office shall be declared vacant. (As added November 3, 1992.)

Sec. 8. [New activity or service mandated by state rule or regulation.]

A state rule or regulation mandating any county or city to engage in any new activity, to provide any new service or to increase any current level of activity or to provide any service beyond that required by existing law, shall not have the force of law, unless, or until, the state provides sufficient new funding or a means of new funding to the county or city to pay the cost of performing the mandated activity or service for the period of time during which the activity or service is required to be performed. (As added November 6, 1984.)

Sec. 9. [Recall of elected county officials.]

A. An elected official of a county is subject to recall by the voters of the county. Subject to the provisions of Subsection B of this section, a petition for a recall election shall cite grounds of malfeasance or misfea-

Article X – County and Municipal Corporations

sance in office or violation of the oath of office by the official concerned. The cited grounds shall be based upon acts or failures to act occurring during the current term of the official sought to be recalled. The recall petition shall be signed by registered voters:

- (1) of the county if the official sought to be recalled was elected at-large; or
- (2) of the district from which the official sought to be recalled was elected; and
- (3) not less in number than thirty-three and one-third percent of the number of persons who voted in the election for the office in the last preceding general election at which the office was voted upon.

B. Prior to and as a condition of circulating a petition for recall pursuant to the provisions of Subsection A of this section, the factual allegations supporting the grounds of malfeasance or misfeasance in office or violation of the oath of office stated in the petition shall be presented to the district court for the county in which the recall is proposed to be conducted. The petition shall not be circulated unless, after a hearing in which the proponents of the recall effort and the official sought to be recalled are given an opportunity to present evidence, the district court determines that

Article X – County and Municipal Corporations

probable cause exists for the grounds for recall.

C. After the requirements of Subsection B of this section are fulfilled, the petition shall be circulated and filed with the county clerk for verification of the signatures, as to both number and qualifications of the persons signing. If the county clerk verifies that the requisite number of signatures of registered voters appears on the petition, the question of recall of the official shall be placed on the ballot for a special election to be called and held within ninety days or the next occurring general election if that election is to be held within less than ninety days. If at the election a majority of the votes cast on the question of recall is in favor of recall, the official who is the subject of recall is recalled from the office, and a vacancy exists. That vacancy shall be filled in the manner provided by law for filling vacancies for that office.

D. A recall election shall not be conducted after May 1 in a calendar year in which an election is to be held for the office for which the recall is sought if the official sought to be recalled is a candidate for reelection to the office. No petition for recall of an elected county official shall be

Article X – County and Municipal Corporations

submitted more than once during the term for which the official is elected. (As added November 5, 1996.)

Sec. 10. [Urban counties.]

A. A county that is less than one thousand five hundred square miles in area and has, at the time of this amendment, a population of three hundred thousand or more may become an urban county by the following procedure:

(1) the board of county commissioners shall, by January 1, 2001, appoint a charter commission consisting of not less than three persons to draft a proposed urban county charter;

(2) the proposed charter shall provide for the form and organization of the urban county government and shall designate those officers that shall be elected and those officers and employees that shall perform the duties assigned by law to county officers; and

(3) within one year after the appointment of the charter commission, the proposed charter shall be submitted to the qualified voters of the county and, if adopted by a majority of those voters, the county

Article X – County and Municipal Corporations

shall become an urban county. If, at the election or any subsequent election, the proposed charter is not adopted, then, after at least one year has elapsed after the election, pursuant to this section another charter commission may be appointed and another proposed charter may be submitted to the qualified voters for approval or disapproval.

B. An urban county may exercise all legislative powers and perform all governmental functions not expressly denied to municipalities, counties or urban counties by general law or charter and may exercise all powers and shall be subject to all limitations granted to municipalities by Article 9, Section 12 of the constitution of New Mexico. This grant of powers shall not include the power to enact private or civil laws except as incident to the exercise of an independent municipal power, nor shall it include the power to provide for a penalty greater than the penalty provided for a misdemeanor. No tax imposed by the governing body of an urban county, except a tax authorized by general law, shall become effective until approved by a majority vote in the urban county.

Article X – County and Municipal Corporations

C. A charter of an urban county shall only be amended in accordance with the provisions of the charter.

D. If the charter of an urban county provides for a governing body composed of members elected by districts, a member representing a district shall be a resident and elected by the registered qualified electors of that district.

E. The purpose of this section is to provide for maximum local self-government. A liberal construction shall be given to the powers of urban counties.

F. The provisions of this section shall be self-executing. (As added November 7, 2000.)

Sec. 11. [Single urban governments.]

A. A county that is less than one thousand five hundred square miles in area and has, at the time of this amendment, a population of three hundred thousand or more, and whether or not it is an urban county pursuant to Section 1 of this amendment, may provide for a single urban government by the following procedure:

(1) by January 1, 2003, a charter commission, composed of eleven members,

Article X – County and Municipal Corporations

shall be appointed to draft a proposed charter. Five members shall be appointed by the governing body of the county, five members shall be appointed by the municipality with a population greater than three hundred thousand and one member shall be appointed by the other ten members;

(2) the proposed charter shall:

(a) provide for the form and organization of the single urban government;

(b) designate those officers that shall be elected and those officers and employees that shall perform the duties assigned by law to county officers;

(c) provide for a transition period for elected county and city officials whose terms have not expired on the effective date of the charter; and

(d) provide for a transition period, no less than one year, to ensure the continuation of government services; and

(3) within one year after the appointment of the charter commission, the proposed charter shall be submitted to the qualified voters and, if adopted by a majority of those voters, the municipalities in that county with a population greater than ten thousand shall be disincorporated and the county shall be governed by a single ur-

Article X – County and Municipal Corporations

ban government. If the proposed charter is not adopted by a majority of the qualified voters, then another charter commission shall be appointed and another election, within twelve months of the previous election, shall be held. If the proposed charter is not adopted by a majority of the qualified voters at the second or any subsequent election, then after at least two years have elapsed after the election, pursuant to this section another charter commission may be appointed and another proposed charter may be submitted to the qualified voters for approval or disapproval. As used in this paragraph, "qualified voter" means a registered voter of the county.

B. Upon the adoption of a charter pursuant to Subsection A of this section, any municipality within the county with a population greater than ten thousand is disincorporated and no future municipalities shall be incorporated. A county that adopts a charter pursuant to this section may exercise those powers granted to urban counties by Section 1 of this amendment and is subject to the limitations imposed upon urban counties by that section. A county that adopts a charter pursuant to this section has the same power to enact taxes as any other county and as

Article X – County and Municipal Corporations

any municipality had before being disincorporated pursuant to this section.

C. A municipality, with a population of ten thousand or less, in a county that has adopted a charter pursuant to this section may become a part of the single urban government by a vote of a majority of the qualified voters within the municipality voting in an election held upon the filing of a petition containing the signatures of ten percent of the registered voters of that municipality. If a majority of the voters elect to become a part of the single urban government, then the municipality is disincorporated.

D. All property, debts, employees, records and contracts of a municipality disincorporated pursuant to this section shall be transferred to the county and become the property, debts, employees, records and contracts of the county. The rights of a municipality, disincorporated pursuant to this section, to receive taxes, fees, distributions or any other thing of value shall be transferred to the county. Any law granting any power or authorizing any distribution to a municipality disincorporated pursuant to this section shall be interpreted as granting the power or authorizing the distribution to the county.
