Rev. 12:1

And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:

Planet-7X
In Hebrew it's Abaddon

The Two Prophets Appear	Weekly Sabbath	The Bride is taken to a place of safety! (1,260 days) <small>(The 144,000 with His mark & a unknown number that consist of the 5 wise virgins!)</small>	Scientist will predict the wrong half of the Earth to suffer the impact of a meteor storm! <small>(There is only a Biblical model for a twelve hour delay)</small>

Moon At The Foot Of The Virgin

The MOON

Note: Rev. 12:1 the word "Sun" in Hebrew could also mean a heavenly object shining or casting light. We have four to select from; Sun, Moon, star or planet. Logically we can deduct which object it is. The Moon is at her feet, the Sun is only at daytime and a star is not bright enough to light up a constellation of stars. So the only logical object left is a planet casting it's light!
